North Perth Sports for Kids Fund GUIDELINES:

North Perth Sports for Kids Fund (NPSFKF) is here to assist youth unable to participate in activities because of financial hardship.

What is the North Perth Sports for Kids Fund (NPSFKF)?

• The NPSFKF is an endowment fund held within the Stratford Perth Community Foundation that was established in 2009 by caring, generous individuals from North Perth wanting to ensure every child had the opportunity to participate in sport and recreation programs. This Fund provides annual financial resources to The Salvation Army Listowel Community Services in order to help families in North Perth with costs associated with youth sports and recreation activities such as fees, special clothing and equipment.

Who is eligible?

- Funding is intended for youth whose families do not have access to other funding programs (i.e. JumpStart, Ontario Works, City of Stratford Subsidy, Family & Children Services)
- Children and youth (aged 4 to 18) whose household net income is under \$55,000 per year (as per Revenue Canada income tax return) **OR** children and youth whose families are dealing with special family circumstances; such as recent financial hardship, family illness, large family size, family crisis.
- Residents of North Perth **OR** participants in program(s) located in North Perth
- NOTE: Funding is available for members of the same family for the same activity or for different activities in the same season.

What does it pay for?

- Funds may be provided to help with the cost of participating in sport and recreation programs in North Perth, or to residents of North Perth. Complete or partial funds may be issued.
- A maximum of \$300 per youth per sport or activity, not to exceed \$500 per year, per child.

If this can not be obtained an Intake interview can be completed by The Salvation Army Listowel Community Services.
- Applications may be submitted at any time, however an application is not a guarantee of sponsorship and is dependent on approval as well as the availability of funds.
- Applicants will be informed of a decision as soon as possible

Can donations be made to this program?

Donations from caring individuals, businesses and organizations are made to NPSFKF through the <u>Stratford Perth Community Foundation</u>. Donations are pooled and invested, each year a portion of the income earned is made available to The Salvation Army Listowel Community Services to help local families with the cost associated with youth participation in sports and recreation programs or activities. This means that there will be a financial resource available to help cover costs for youth sport for North Perth families today, tomorrow and forever.
